Dear Valued Customer,

Earlier, REACH sent you a notice regarding the transfer of REACH's voice business to Telstra. This letter provides additional information regarding this transfer and the commitments of Telstra regarding the provision of service to you.

Telstra intends to continue the fine level of customer service you expect and have received from REACH. Our goals are simple: deliver superior customer service and solve your telecommunications needs.

No action on your part is required.

Your services will not be affected by this transfer. You will continue to use the same telephone numbers you currently do, and there will be no fees applied in connection with the transfer of your service. As a Telstra customer, you will continue to receive your same services at the same rates, terms and conditions. Notice of any future changes in rates, terms and conditions of service will be provided to you as required by law.

Telstra anticipates that the date for the transfer may be on or about February 28, 2011, provided that the necessary regulatory approvals have been obtained. At that time, Telstra Incorporated will become your service provider. You may choose another carrier. Again, no action is required on your part and your service will continue at the same rates. If you have a term contract with REACH, you will still be responsible for any applicable early contract termination charges if you choose a service provider other than Telstra Incorporated.

NOTE: If you have placed a "freeze" on your REACH services to prevent their unauthorized transfer to another carrier, it will be automatically lifted to implement the transfer to Telstra Incorporated. You must contact your new local service provider (Telstra Incorporated or other local service provider that you choose) to reestablish freeze protection for you after the transfer.

If you have any questions or concerns with respect to service needs, complaints or billing issues, you can call me at 1-877-835-7872.

Yours Sincerely,
